KEY TO SYMBOLS

- Natural
- Extra Facet

Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols indicate type, position, and approximate size of clarity characteristics. All clarity characteristics not shown. Details of finish are not shown.

This Report is not a guarantee, re-valuation or appraisal, and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA"), and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Inscriptions reported in this document are not a guarantee, validation, or warranty of a diamond's quality, country of origin or source, or that the diamond will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word, or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.
